

INDEX

ST ANDREW'S & ST PAUL'S CEMETERY

The following is an alphabetical index to all names which appear in the St Andrew's & St Paul's Cemetery transcriptions. Names and abbreviations or initials within names in the index correspond to those inscribed on the stones themselves. No attempt has been made to determine accurate spellings of names misspelled on the tombstone.

Married women have been indexed under both married and maiden names wherever such information has been provided in the inscriptions. If indexed under the married name, the MAIDEN SURNAME APPEARS IN BRACKETS after the name of the entry. If indexed under the maiden name, the MARRIED SURNAME IS UNDERLINED in the entry.
